

OVOX Student Freeze Form

Freezing your membership is a great way to stay active and keep your current membership rate in place. If you are not planning on using your membership for more than 14 days (medical issue, gone for the summer, etc.), you can freeze your membership.

- Student ID's must be provided to qualify for a Student Freeze
- Freezes are allowed for any reason.
- Filling out our Freeze Form is required.
- Freeze will begin upon the receipt of your completed Freeze Form or freeze date as indicated below if freeze date is after present date.
- Minimum freeze time is 14 days.
- Students will not assess a Freeze Fee. Memberships will be automatically unfrozen from Dec. 15 - Jan. 15, and again May 5 - Sept. 5.
- It is the members responsibility to refreeze Jan 15 and Sept 5 if they choose to reactivate the freeze.
- Memberships cannot be cancelled while frozen.
